

Grievance Number	7255810549
Grievance Description	This is to inform that our bill with id 009586019330 is generated without taking readings. The reading in 148 days was 129 but mentioned in bill just 1 and after that in next bill with id 009241577446 all reading were charged because of that we have been charged in higher slab of water charges. So it is requested please correct the bill as we are constantly making complaints from last 8 months but no one is taking action.
